

Prosperity Map

Anchor Your Prosperity in Your Subconscious Mind Then Manifest it on the Physical Realm Randy Gage's Prosperity Manifestation Map

This is the prosperity manifestation map or "dream board" you've heard Randy discuss in his prosperity books, and on his "Prosperity" audio album. A prosperity map is a big poster that you fill with images of things you want to do, have and become. Seeing the images everyday programs them into your subconscious mind. This creates a desire within you to take the daily action steps that bring your dreams closer to reality. You see your prosperity in your mind first, then manifest it on the physical plane.

Order your kit today, and start collecting magazines, brochures and other materials in the hobbies and areas you are interested in. Randy suggests you divide your map into sections, such as work, spiritual, relationships, etc.

There are no rules for how you put things on the prosperity map, except that the image has to mean something to you. It doesn't matter if anyone else understands it. They don't need to. As long as you know what it means every time you see it. Get ready to have a lot of fun with this very powerful tool for manifesting your prosperity. No excuses . . .

This prosperity manifestation map comes with complete instructions from Randy on how to get the best results, scissors, marker and glue stick, so you can start immediately.

The whole Kit is only \$20!
(map dimensions are 22"x28")
