

Why You're DUMB, SICK & BROKE...

And How to Get
SMART, HEALTHY & RICH!

**Shocking.
Controversial.
Brilliant.**

MLM Multi-Millionaire Randy Gage goes mainstream with the first-ever book geared to the general public that shows them why the corporate world, traditional businesses, and the Rat Race will keep them dumb, sick, and broke. More importantly, Gage devotes an entire chapter to the power of leverage and specifically recommends Network Marketing as the fastest way to create wealth.

Like the *Rich Dad, Poor Dad* series, this book is a powerful, totally generic 3rd-party credibility tool to edify the industry and grow your business. Get five copies and lend them around to your most skeptical prospects. And be sure to get your own team members reading this book to create strong success habits, build the belief, and their business!

Gage is controversial, politically incorrect, and not afraid to take on some of the most hallowed institutions of our day, from organized religion to government, pop culture to the food you eat. His "Deepak Chopra meets Dennis Miller" style is bold, brash, but right on target if you want to know the secrets of success.

"Vintage Gage. Brilliant, but brash. Insightful, and in-your-face. Thought-provoking, and threatening. A real-world look at what keeps you broke, and a road map on how to get rich. Packed with insights on how you manifest a life of health, happiness and prosperity."

- Art Jonak
Founder, Network Professionals

"Love or hate him, Randy Gage is one of the few writers left in America with the guts to take a stand and challenge his readers to really think. Put on your critical thinking hat, buckle up, and pack a lunch. This book is going to take you for the intellectual ride of your life!"
